Member News Hotline:

Our newsletter competes for your attention with television news; newspapers; Facebook; emails and countless other media, so to raise the level of the quality of our Newsletter we have set up an electronic hotline at jgmpc@optonline.net. Please submit all birth, death, marriage, social events and other news which our members should hear about. Don't think that someone else may submit the tid-bit, so you don't have to. You may be the only person who has heard about something and you should not keep it to yourself.

Dues:

If you are unsure of your membership status, please contact Declan Sheeran at dsheeran62@yahoo.com.
Dues are \$30 per Family; \$20 per Individual.

Other:

All Emerald Association members are invited to help ensure the future of the organization by telling family members, friends, co-workers, etc.... about the events, comradery, fellowship and raucous good times enjoyed by all in our presence! Especially in difficult times, people with similar values and backgrounds seek comfort in the company of similar souls. A new friend is simply a stranger that you have not met yet.

On the same mission from a different perspective, members are asked to regularly don their thinking caps to come up with creative ways to increase membership. For example, opening our doors to non-members at the Fall Social was a great way to show people how great some of us dance and how gregarious all of us are. The Emeralds will survive only by continuing to add members.

Please keep our Veterans and First Responders in your thoughts and prayers.

Please Patronize our Advertisers:
Ad rates: Member \$30; Non-member \$50 for 10 months
